

Stage 2 Subject Selection Form for 2017

Student Name _____ HG _____

Yr 12 Completion Intention:

- SACE completion only through school based subjects
- SACE completion through school based subjects with the ability to calculate an ATAR
- SACE completion only using school based subjects and VET pathways
- SACE completion through school based subjects using VET pathways with the ability to calculate an ATAR

The box indicated in the Year 12 Completion Intention section will determine the number of subjects that need to be selected. At a minimum, all students need to select 3 subjects PLUS one reserve.

Fill in the subjects you want to do in the chart below and after discussion with the appropriate subject teacher, if they agree with your subject choice, ability to do the subject and can see the connection with your career pathway, they will sign your form. Differences of opinion need to be taken up with the Faculty Coordinator of that subject.

Preference Order	Subject Name	Credits	Teacher sign off
1			
2			
3			
4			
5			

List 1 reserve you would like to do if you don't get any of your first options (you still need a teacher initial for these)

1. _____

VET: If you are choosing a VET subject, fill this in on the chart above as a subject choice.
